ABOUT: "*FOOTPRINTS*" is based on the true story of a man who finds the healing power of love only after he lost everything he had valued and given up. It is a true story of a dog who learned to trust and serve only after she'd been abused and discarded as worthless. It is the true story of a journey the two of them took that neither knew would bring them together. But God did. Through His guidance, a man and a dog experience the transformation of being unwanted to becoming cherished. And in the process, they impact lives around them in ways only God could have imagined. New Shepherd Films presents a Huggins/Dougherty Production. The film is directed by Jim Huggins and introduces Rhode Island native Jim Landry and veteran actress from Trinity Repertory Company Carole Geagon to the big screen.

STADIUM THEATER was founded in 1926 and has been widely recognized as one of the finest theaters in the country.

Portions of "*FOOTPRINTS*" were filmed in Smithfield, Tiverton, and Newport, Rhode Island.

JIM LANDRY, a WOONSOCKET NATIVE, is the Area Vice President for U.S. Express, Inc.

CAROLE GEAGON is a veteran of TRINITY REPERTORY COMPANY, Providence, RI.

ROCKET, a RESCUED GERMAN SHEPHERD DOG from GERMAN SHEPHERD RESCUE of NEW ENGLAND, makes his debut as the lead K9 actor in this film.
